Re: PUBLIC UTILITIES COMMISSION, Inquiry into the Status of the  
Reliability and Security of the Electric Grid, Docket No. 2004-248

Dear Dennis:

Please find enclosed a draft of the Commission's Report of the reliability and security of the grid in Maine. By way of this letter, stakeholders and other interested persons are being notified that this Report has been placed on the Commission's web page and that comments on the Draft Report should be filed by **April 11, 2005** with:

Dennis Keschl  
Administrative Director  
Maine Public Utilities Commission  
242 State Street  
Augusta, ME 04333

Thank you for your attention to this matter.

Sincerely,

Charles Cohen  
Hearing Examiner
